A Training and Learning Day for Primary Education Settings

Accessing the curriculum

This presents the learning profile of children with Down's syndrome, identifies the strengths and shows how to adapt the primary curriculum resources to meet individual learning needs.

Specific language profile of children with Down's syndrome

This session focuses on understanding the language and communication profile of individuals with Down's syndrome from 4 to 11 years including looking at the primary curriculum and strategies that will develop speech skills, using reading to teach language and using signing to support communication skills

Fine motor & writing skills

- Stability, hand strength and coordination
- The development of pre-writing skills

Numeracy and math's skills

- The challenges that developing basic numeracy presents
- Practical activities with Numicon

Age-appropriate behaviour

- Analysis and practical strategies to support positive behavior
- Developing independence
- Building and supporting relationships and social skills

Cost: £80 for all participants including lunch and refreshments

This course will be held at the Access & Inclusion Centre, Queen Elizabeth II Jubilee School, Kennet Road, W9 3LG
