Brief course description:

On this course will you gain an understanding of issues and risks facing learners with SEND including why learners with SEND face more on-line safety issues than their peers.

You will also learn about some key online messages for keeping safe to support pupils with SEND, teaching resources and ways to support families in making informed decisions about access to on-line information for their children.

Learners' outcomes:

Knowledge and understanding about keeping safe using the internet and social media

Understand about specific issues facing children and young people with SEND

Have some key on-line messages to give children and young people.

Gain a range of teaching resources

Learn how to support families of children with SEND and on-line safety.
