Area of SEND: Physical and sensory needs

Presenters: Siobhan Robinson (SEN Occupational therapist Westminster), Sherilyn Sibanda (SEN Occupational therapist Westminster) and Deidre Murphy (SEN Occupational therapist Kensington and Chelsea)

This practical workshop aims to:

- To enable a basic understanding of sensory strategies that will support the child
- To enable you to build greater confidence when applying prescribed interventions
- To enable you to be confident in identifying what the child is seeking and to apply the most appropriate strategies

This will be a practical and interactive workshop. This will give you the opportunity to engage in the sensory activities, so you understand how it may feel for the child and to understand why and how this supports the child.
