

Understanding & Managing the Child with CVI

A Conference for all who teach, support or care for a child with cerebral visual impairment: understanding the diagnosis & symptoms, implications for learning & strategies for the classroom

27th March 2018, 9.00 am – 1.00 pm

Queen Elizabeth II Jubilee School
Outreach, Access & Inclusion Training Centre
Kennet Road London W9 3LG

- CVI has now taken over as the leading cause of visual impairment among children and young people in the UK
- CVI is still poorly understood & frequently goes undiagnosed

Speaker

Maurice Sparrow - Advisory Teacher of the Visually Impaired for the City of Westminster

- Multi-media presentation to illustrate the talk
- Video case histories to embed in real experience
- Workshop to discuss & share ideas
- Simulation activities to experience some of the child's difficulties

Cost: £50.00 for all participants

This course will be held at the Access & Inclusion Centre, Queen Elizabeth II Jubilee School, Kennet Road, W9 3LG
