

# Understanding the Impact of Mild and Unilateral Hearing Losses

Specialist Speech and Language Therapists and Teachers of the Deaf from the Tri Borough

28<sup>th</sup> March 2018, 9:30-12:30

Central London Community Healthcare **NHS**  
NHS Trust  
Your healthcare closer to home

*Do 'minimal' hearing losses only have 'minimal' impact on a child's learning?  
Understanding the educational, social, speech, language and social-emotional  
challenges these children face*

The course aims to:

- Explain why children with mild and unilateral losses are at a risk of impact
- How unilateral and mild losses impact the CYP in your care
- Learn about the challenges facing these students
- Strategies to support students with a mild or unilateral loss in your educational environment

**Cohort:** This course is suitable for anyone working with children who have a mild or unilateral, hearing loss in a mainstream setting, including those with "glue ear"

**Cost:** Free to Tri-Borough settings. £40 for all other participants.

This course will be held at the Access & Inclusion Centre, Queen Elizabeth II Jubilee School, Kennet Road, London, W9 3LG
