

## Post 16 HOME LEARNING

### Teams Calls

#### Dear Parent

#### Please ensure that your child:

- Completes one of the diary sheets before our call so that we can talk about what they have done. (We are focusing on time this term so please get them to look at a clock for those questions asking **when** they have done something.)
- Has photos of them doing tasks around the home that they can share – see Lifeskills
- Has at least 3 pieces of work they have completed to show us.
