Protective Behaviours Certified 2 Day Foundation (4 online sessions)

Outline

4 sessions - £150 for all sessions for all participants. Please note the dates are 22nd and 25th of June and the 6th and 8th of July. Times may vary.

Description

The PB certified Foundation course will take a deep dive into the Protective Behaviours framework widely used in Australia, the US and in schools, settings and services outside of London. The framework is based around the themes of 'Everyone has the Right to Feel all of Time' and 'Nothing is so Awful or Small we can't talk with Someone About it'. Both of these themes are very relevant and critical for the times in which we currently find ourselves. The framework is process-based and easily adapted for your setting. It is also very relevant for the aspects of safeguarding that are often ignored i.e. how we do support children to know how to stay safe. This 2 day (4 sessions on line) PB Foundation course will enable you to feel confident with your knowledge and understanding of PB's and the skills you will need to be able to introduce the framework in your own setting.

Outcome

The participants will
gain an in-depth knowledge of the elements, structure and process of the PB framework
be able to see how the framework supports the agenda for SEMH, Safeguarding and SRE
have an understanding of how they might use it in their setting
gain ideas for implementation of the elements
be able to practically apply the framework with children, staff and strategically
have some practical skills for supporting children and young people's resilience and mental well-being.
