

COVID-19: outbreak management plan

College Park School

Approved by:	Claire Shepherd	Date: 23.8.21
Last reviewed on:	25.8.21	
Next review due by:	25.9.21	

1. Introduction

This plan is based on the [contingency framework for managing local outbreaks](#) of COVID-19 and the [schools operational guidance](#), provided by the Department for Education (DfE).

We will only implement some, or all, of the measures in this plan in response to recommendations provided by our local authority (LA), directors of public health (DsPH), Public Health England (PHE) health protection team or the national government.

It may be necessary to implement these measures in the following circumstances, for example:

- To help manage a COVID-19 outbreak within the school. Actions will be considered when either of the following thresholds are met:
 - There are 2 positive cases among pupils or staff who are likely to have mixed closely within a 10-day period
- If COVID-19 infection rates in the community are extremely high, and other measures have failed to reduce transmission
- As part of a package of measures responding to a 'variant of concern' (VoC)
- To prevent unsustainable pressure on the NHS

2. Seeking public health advice

When one of the thresholds above is met, we will review the testing, hygiene and ventilation measures already in place.

We will also seek public health advice from a director of public health or health protection team. Claire Shepherd will be responsible for seeking this advice, and will do so by telephoning the DfE helpline (0800 046 8687) or the local public health service: CHSCovid19Coordination@rbkc.gov.uk or covid.19@rbkc.gov.uk

3. Shielding

We will adhere to national guidance on the reintroduction of shielding, which would apply to those on the [shielded patient list \(SPL\)](#).

We will speak to individuals required to shield about additional protective measures in school or arrangements for home working or learning.

4. Other measures

Parents, carers, pupils and staff will be informed promptly about the introduction of control measures. This will be done via parent email/letters sent home with pupils once a decision has been made.

If recommended, we will limit:

- Residential educational visits
- Open days
- Transition or taster days
- Parents coming into school
- Live performances

If recommended, we will (re)introduce:

- Testing, including the use of an asymptomatic test site (ATS)
- Bubbles, to reduce mixing between groups
- Face coverings in communal areas and classrooms for staff and visitors (unless exempt)

5. Attendance restrictions

Attendance restrictions will only be recommended as a last resort. If recommended, we will implement the measures in this section.

5.1 Eligibility to remain in school

If restrictions are recommended, we will stay open for:

- Extremely Vulnerable pupils
- Children of critical workers

5.2 Education and support for pupils at home

All other pupils will be required to stay at home and will receive remote education.

We will aim to deliver remote education that meets the same quality and quantity of education that pupils would receive in school, as outlined in our Home learning policy.

The school will continue to provide lunch parcels or vouchers for pupils eligible for benefits-related free school meals while they are not attending school because of COVID-19 isolation guidelines.

Lunch parcels will be provided by our catering team Harrisons and will be delivered to families or school vouchers will be provided and posted/emailed to families.

5.3 Safeguarding

We will review our child protection policy to make sure it reflects the local restrictions and remains effective.

We will aim to have a trained DSL or deputy DSL on site wherever possible.

If our DSL (or deputy) can't be on site, they can be contacted remotely by email or school mobile

Ricardo Clarke: 07880 191 313

Claire Shepherd: 07880 191 323

If our DSL (or deputy) is unavailable, we will share a DSL with Queen Elizabeth II School. Their DSL can be contacted by office@qe2cp.westminster.sch.uk

When vulnerable pupils are absent, we will:

- Speak to parents/carers and, where applicable, social workers and the local authority, to work out the reason for absence
- Encourage attendance
- Make sure vulnerable pupils can access appropriate education and support while at home
- Maintain contact, and check regularly that the pupil is able to access remote education provision
