## **SEND Training - The Bi-Borough Inclusion Service**

### **iPad independence training for parents/carers of children/young people with vision impairments**

#### **Outline**

- Join me to learn how to get the most out of an iPad to support your child's visual access
- There will also be an opportunity to ask about specific issues you may have experienced when supporting your child's use of technology

#### **Description**

You will learn about inbuilt accessibility, the reading of e-books, using the tablet as a magnifier, how to annotate worksheets, touch typing programmes, charity grants to help you purchase equipment for home use, some useful apps and accessories and more

#### **Outcome**

You will be more familiar with ways to support your child in their use of technology to support their learning.
