

Dear Parent/Carer,

The Holiday Activities and Food (HAF) Summer Programme 2022 has launched!

We're writing to offer your child a free place for fun activities and free food, over the upcoming Summer holidays 2022.

We have over 70 organisations offering free activities and healthy, free meals across the 6-week summer holiday period, providing over 5000 places to children and young people. Activities include sports camps, cooking, gardening classes, drama skills and day trips.

There will also be activities for those with special educational needs and disabilities - so there is something for everyone!

The Holiday Activities and Food (HAF) Programme **guarantees places this summer for all children and young people eligible for Free School Meals who are aged 4 – 16.**

In addition, in recognition of the rising cost of living, Westminster City Council is increasing funding available to enable children and young people, aged 0-25, who just fall short of eligibility for Free School Meals, but are experiencing financial hardship, to also access these activities and food for free.

Visit our website to see what is on offer and find out more information on how to book a place and to register – <https://ourcity.org.uk/haf-programme>

Don't delay! Make sure you take advantage of this free opportunity for your child and register today!
