July 2022

Dear Parent/Carers

Annual Report to Parents

I am pleased to send you our annual report to parents/carers for this academic year. Every year we send you information about the work of governors and the Governing Board which we hope you find helpful. The report outlines the role of governors and the work we do throughout the school year.

We appreciate the work you have done as parents and carers and we are pleased with the support you have given to the Federation. We have two parent governors on our governing Board and we welcome their perspective and their contribution to the Governing Board.

With Best Wishes

Yours sincerely

June Simson
Co-Chair of Governors
