Listen Up! Deaf Awareness training for school staff

Outline

A fun, practical session for any school staff working with children who are deaf/ hard of hearing.

Description

During this session you will have an opportunity to experience what it is like to listen and learn for a child who is deaf or hard of hearing. You can share your experiences with others in a supportive environment and reflect on how to make the school experience more accessible. There will be practical activities designed to put you into the shoes of the children you are working with and think about changes you can make to your practice.

Outcome

You will understand the potential challenges for learners who are deaf or hard of hearing. You will be able to set up your classroom in the most accessible way for learners who are deaf/ hard of hearing.
