### **An Introduction to Autism for the Early Years**

#### **Outline**

This course is split over 2 afternoons. It is aimed at staff working in PVI Early Years sector in RBKC and Westminster. This course would benefit staff who would like to develop their knowledge about autism and begin to build up a toolkit of strategies and resources to support children with a diagnosis of autism in an early years setting.

#### **Description**

?During the session you will have a chance to work interactively, using online applications and also in small groups, to further enhance each other's knowledge of autism and best practice. We will explore the Triad of Impairments, sensory sensitivities, visual resources, communication, and behaviour

#### **Outcome**

- \* You will gain a basic understanding of autism
- \* You will consider how autism may affect behaviour, social communication and learning
- \* You will begin to build up a 'toolkit' of strategies and resources to support your students with autism in an early years setting

#### **Audience**
