Title: Unlocking the Code: Supporting Literacy Skills for Children who are Deaf or Hard of Hearing

Venue: Kensington Town Hall - Freeman Suite (FSR - Please go to reception on arrival), Hornton Street, Kensington, London, W8 7NX

Trainer: Kathryn Gilgallon

SEND Training - The Bi-Borough Inclusion Service

Unlocking the Code: Supporting Literacy Skills for Children who are Deaf or Hard of Hearing

Outline

Presented jointly by CLCH Specialist Speech and Language Therapists and BBIS Teachers of the Deaf.

Description

Literacy skills begin at birth and continue into the early school years. As reading and writing become more formal in the primary years this skill poses more of a challenge for deaf children. This course aims to help you develop the skills to identify where and why a child with hearing loss may be struggling with their literacy skills and offer strategies to support that child. The course is designed for educational staff with children working within the Early Years to Key Stage 2 curriculum, and will be split into two groups (Early Years/KS1 and KS1/KS2).

Having training provided jointly by both Specialist Speech and Language Therapists and Qualified Teachers of the Deaf will help you to gain a better understanding of how language development directly impacts on literacy development and the common gaps that challenge our children. You will have the chance to explore and enhance your own specialist knowledge on more inclusive practice, including book-sharing, phonics teaching, and vocabulary development. For those working with children in older Key Stage 1 and Key Stage 2, you will further look at Access Arrangements linked to Sats and other performance measures.
