Dear Parent/Carer

Health Questionnaire & School Health Review for Your Child

As part of the Universal School Health Services, and in line with governmental guidance (**DH, Healthy Child Programme from 5 - 19 years old, 2012**) you will be asked to complete a confidential health questionnaire for your child and for your child to have a School Health Review.

The health questionnaire asks if you have health concerns or if your child has known health conditions. This enables the School Health Service to ensure we provide the correct support for your child.

The health questionnaire is complete via the link below and will be automatically sent to our team. If you are having any issues with submitting the health questionnaire then please email our team cnw-tr.westminstershs.cnwl@nhs.net or call us on 020 3317 4460. The health questionnaire will be reviewed by the School Health Service who will offer advice and support to you and your child as needed. We may contact you if the School Nurse has identified any concerns.

Thank you in advance for completing the Parent Health Questionnaire and please do not hesitate to contact us.

Yours Sincerely,

Marta Thlon
