Class information

Welcome to Owl Class! We are year 8 and 9. We follow the Formal Curriculum, we are also working very hard and preparing our wise owls for the future, also known as adulthood. We work very hard to further our independence, to create friendships and to explore and learn new things. Owl this year will start to practise entry level one and two in English and Math, in preparation of their functional skills exams. We will also explore the outside world; many opportunities and exciting trips are occurring for Owl Class.

Home school communication

An important part of school is the communication between families and school. Each child has a home/school book which school staff will write in everyday, providing families with information about their day.

We would appreciate any feedback from families about their child's weekend, evening or anything important you would like to share with us.

Safeguarding

Safeguarding is extremely important to us at College Park School.

If you have any concerns please raise them with your class teacher and/or one of the designated safeguarding leads (DSL).

-Ricardo Clarke- Designated Safeguarding Lead

- Claire Shepherd, Tatjana Zeljic, Simon Bennett, Paul Morrow- Deputy Designated Safeguarding Leads

Use of visuals

All staff work closely with the speech and language team to ensure our pupils are adequately supported with visual supports, to ensure they have the right communication tools to support their day. These are personalised for each pupil.

We use visuals in the classroom to support with the structure of the day, visuals on lanyards, supporting with transitions around school, in lessons and social stories.

If you would like any support with visuals at home, please let the class teacher know.
