Class information

Welcome to Cheetah Class! We are year 7 and 8. We follow the Formal Curriculum, and we are working very hard to develop the potential of our pupils! This term we will learn about animals and we will include this topic in the subjects of English, Mathematics, Science and PSHE. Our children are working on developing their reading and writing skills as well as developing social and independence skills in preparation for adult life.

Home school communication

An important part of school is the communication between families and school. Each child has a home/school book which school staff will write in everyday, providing families with information about their day.

We would appreciate any feedback from families about their child's weekend, evening or anything important you would like to share with us.

Safeguarding

Safeguarding is extremely important to us at College Park School.

If you have any concerns please raise them with your class teacher and/or one of the designated safeguarding leads (DSL).

-Ricardo Clarke- Designated Safeguarding Lead

- Claire Shepherd, Tatjana Zeljic, Simon Bennett, Paul Morrow- Dep uty Designated Safeguarding Leads

Use of visuals

All staff work closely with the speech and language team to ensure our pupils are adequately supported with visual supports, to ensure they have the right communication tools to support their day. These are personalised for each pupil.

We use visuals in the classroom to support with the structure of the day, visuals on lanyards, supporting with transitions around school, in lessons and social stories.

If you would like any support with visuals at home, please let the class teacher know.
