Title: Session two: Transactional support for social partners. Low arousal environment

Venue: QE2 Training Centre (R - Please go to reception on arrival), Queen Elizabeth II Jubilee School, Kennet Road, London, W9 3LG

Trainer: Anna Selwyn

SEND Training - The Bi-Borough Inclusion Service

**Peer Shadowing opportunities for Bi-borough schools and settings:
Session two: Transactional support for social partners. Low arousal environment**

Outline

We are delighted to launch a program of SEND peer shadowing opportunities for Bi-borough schools and settings.

We hope this will allow schools and settings to embark on meaningful professional developments with the view of further improving mainstream inclusivity.

Shadowing peers has many potential benefits for schools and settings as well as for the individuals that are involved in the experience.

We will be starting with the opportunities kindly offered by our special schools: QEII and College Park.

Description

Structure of the visits:

Quick overview of the host school and the focus approach

Learning walk with specific focus

Reflective practice session (provide your host with feedback on what you have observed, considering what you will do as a result of the shadowing experience, including how you will feed your learning back to your team)

Planning next steps

The staff from the host schools will then be offered an opportunity to visit the shadowing school / setting the following half term to learn about the practice in a mainstream setting (subject to capacity).

This reciprocal agreement will provide an opportunity for an exciting peer support and CPD.

Booking Information

The priority will be given to our Specially Resourced Provision but we are happy to expand the offer to mainstream schools and settings.

Schools will be able to facilitate up to 6 professionals at a time (because of the complex nature of the needs of CYP).

If more than 6 colleagues would like to benefit from it, we will repeat the session in the future.

To book, please visit:
