Class Information

This term in Lion Class, we are very excited to be exploring the topic 'Transport and Journeys' through a rich, engaging, and sensory-based informal curriculum. Our learning will be delivered through a range of creative and meaningful experiences tailored to each child's individual needs and interests. In English, we'll be enjoying a sensory story based on Peter Pan, bringing the magic of the story to life through touch, sound, and movement. Maths and English skills will be embedded throughout the day via sensory exploration and practical, hands-on activities. In Science, PSHE, RSE, and our Life Skills/Community sessions, pupils will explore the world around them, develop independence, and build confidence in real-life contexts. We'll also be looking at History, Topic, and Geography through our transport theme, helping learners connect with their environment and past. A key focus this term will also be on developing self-care, communication, and social interaction skills in fun and supportive ways.

Safeguarding

Safeguarding is extremely important to us at College Park School.

If you have any concerns please raise them with your class teacher and/or one of the designated safeguarding leads (DSL).

- Designated Safeguarding Lead - Ricardo Clarke and Claire Shepherd
- Deputy Designated Safeguarding Leads - Tatjana Zeljic, Simon Bennett, Paul Morrow, Eva Diaz, Carl Humphries, Fatima Kadir (Hallfield), Eva Kokona (Pimlico), Olga Conesa (George Eliot)

Home School Communication

An important part of school is the communication between families and school. Each child has a home/school book which school staff will write in everyday, providing families with information about their day. We would appreciate any feedback from families about their child's weekend, evening or anything important you would like to share with us.
