Class Information

We were delighted to meet all of our pupils, both old and new after a long holiday break! Autumn term is going to be very busy in Bluebell class! In Literacy, we are going to explore the story 'We are going on a bear hunt', practicing requesting motivating story props to improve our communication skills! In Maths, we are planning to engage with numbers through hands on activities, such as following a recipe to make playdough and fruit kebabs! In Topic we are going to learn about transport and journeys, while engaging with craft, matching and messy play activities! A very important part of our daily practice will be the exercise of our interaction and social skills: we will learn how to take turns, how to wait for our turn, as well as to share enjoyment with our peers during our Attention Autism sessions! We are looking forward for a busy and creative Autumn term!

Safeguarding

Safeguarding is extremely important to us at College Park School.

If you have any concerns please raise them with your class teacher and/or one of the designated safeguarding leads (DSL).

- Designated Safeguarding Lead - Ricardo Clarke and Claire Shepherd
- Deputy Designated Safeguarding Leads - Tatjana Zeljic, Simon Bennett, Paul Morrow, Eva Diaz, Carl Humphries, Fatima Kadir (Hallfield), Eva Kokona (Pimlico), Olga Conesa (George Eliot)

Home School Communication

An important part of school is the communication between families and school. Each child has a home/school book which school staff will write in everyday, providing families with information about their day. We would appreciate any feedback from families about their child's weekend, evening or anything important you would like to share with us.
