# PENGUIN CLASS NEWSLETTER

APRIL 2026

## Class information

### What are we doing this term?

Welcome back! We hope you had a restful break and are excited for a fantastic Summer Term in Penguin Class. This term, our learning will be centred around the theme “Plants and Gardens”, with a special focus on the classic story The Jungle Book. The children will explore nature, growth, relationships, and adventure through a range of exciting subjects.

## Class Trips

Penguin Class will be taking part in a range of exciting trips to support their learning. The children will continue to visit Waitrose to buy ingredients for their cooking lessons, helping them develop independence and practical life skills. Each Tuesday, pupils will travel to Hallfield to work on their garden project, where they will have hands-on experience planting and caring for their own outdoor space. In addition, the class will have opportunities throughout the term to visit different parks within the local community, allowing them to explore nature and link their learning about plants and environments to the world around them.
