

COLLEGE PARK SCHOOL

# SUNSHINE CLASS NEWSLETTER

APRIL 2026

## Class information

### What are we doing this term?

A warm welcome back to the parents and carers of Sunshine Class from Jake, Inma, Fatima, Wini, Nik, Hasna and Huda! This term we will be exploring the topic of plants and gardens; this means exploring the forest school area and planting our own seeds to watch them grow! In Literacy we will continue reading and writing activities in Phonics and will explore the story 'The Very Hungry Caterpillar' through our senses to develop our reading and comprehension skills. In Maths we will explore long and short items as well as creating repeating patterns alongside our number work. In PSED we will develop our understanding of 'public' and 'private', as well as practicing taking-turns and sharing our toys together. We will also develop our independence using small tools during cooking to become more independent and safety-conscious when making simple dishes like pitta pizzas. We look forward to working with you this term and enjoying lots of fun learning outside in the sun!

## WLIAF Festival Details
