

COLLEGE PARK SCHOOL

RAINBOW CLASS NEWSLETTER

APRIL 2026

Class information

What are we doing this term?

This term Rainbow Class will explore the topic of Plants and Garden through a sensory story based on Handa's Surprise. Pupils will engage in a range of sensory activities using real fruits, textures, smells, taste and sound of animals to bring the story to life. We will also learn about how plants grow and take parts in simple gardening task such as planting and caring for our plants. All the activities support children to develop their communication, engagement and understanding the world. It's going to be an amazing term, especially we engage in our summer festival and we look forward to celebrating our learning together.

Class Trips

To support this learning, we will continuing going to walk in community to look at local parks through shopping at Waitrose. We are also planning to visit Collage Park Bayswater to engage in outdoor activities, further more we will visit our sensory frost school garden to plant seeds and explore the garden..

WLIAF Festival Details

West London Inclusive Arts Festival

We are excited to lead our next West London Inclusive Arts Festival in May. The Royal Albert Hall will be hosting our live performances this year and we are thrilled to be given access to this world-famous venue.
