APRIL 2026

## Class information

### What are we doing this term?

This term our topic is “Plants and Gardens,” where children will explore how plants grow and learn about gardens through hands-on activities. In English, we will be reading James and the Giant Peach, using the story to develop sentence structure, vocabulary, and engagement through sensory experiences. In Maths, we will focus on estimation skills, exploring “how many,” and introducing early fractions through sharing and grouping in practical, real-life contexts. In Science and Topic, children will take part in planting activities and learn about native plants from different countries.

## Class Trips

Library visits every Friday

Swimming lessons every Wednesday

Trip to Frameless Museum on 16th April
