Class information

What are we doing this term?

This term, we'll explore plants and gardens through our story James and the Giant Peach! We'll learn new words and take part in fun activities using counting and sequencing, including working with money, following steps, measuring, and cooking.

We'll also use our learning in real life by going on trips, exploring gardens in London, and comparing them to plants from around the world. We will grow our own plants and take care the edible garden.

Class Trips

We will continue our weekly visits to the library and supermarket and enjoy visiting London gardens, including regent's park, Barbican conservatory, Kensington gardens, city farms and the London zoo.
