

COLLEGE PARK SCHOOL

# CHEETAH CLASS NEWSLETTER

APRIL 2026

## Class information

### What are we doing this term?

This term, students in Chetah Class will be exploring the theme of Plants and Gardens through a rich and engaging cross-curricular approach. They will develop their reading, writing, and speaking skills by describing and comparing plants, while deepening their scientific understanding of how plants grow and the importance of nutrition and healthy living. In math, pupils will apply their knowledge through practical activities such as measuring, counting, and problem-solving. They will also learn about plants from around the world, gaining an appreciation of different environments. Through hands-on experiences, including visits to local parks and outdoor learning opportunities, students will build confidence, independence, and teamwork skills, while fostering a strong sense of responsibility for the environment.

## Class Trips

- Waitrose - every Tuesday
- Paddington station - every Wednesday
- Hyde Park - every Thursday

## WLIAF Festival Details
